

2024 - The Annual Richard Denner Memorial Scholarship Recipients

The Denner Scholarship is a \$200 award and AGS Certificate of Merit given annually by the AGS to guitar students attending local colleges.

In March of each year, the AGS Board decides which local college professors to include in this year's scholarship effort. AGS notifies the professor of the scholarship opportunity and requests them to select one student that demonstrates dedication, continuous improvement, and notable proficiency in their performance, and understanding of the classical guitar.

Students who are selected by their professors are asked to attend an AGS meeting to perform if they wish and receive their Certificate of Merit and a check for \$200.

Here is one of our 2024 Denner Scholarship Award recipients, Lex Rehfeldt. Rex studies classical guitar with AGS Board Member Bryan Fasola at Pierce College. Rex performed at our May 4th meeting and was given his award by AGS President, Gregory Newton. Congratulations Rex!

AGS President Gregory Newton with 2024 Denner Award recipient Lex Rehfeldt.

There are three other Denner Scholarship recipients for 2024, but due to scheduling conflicts, they could not attend our May 4th meeting. They are now scheduled to receive their awards at our June 1st AGS Meeting. This document will be updated soon after our June 1st, 2024 meeting.
